

GRETTON VILLAGE HALL PRESENTS

Uppingham Jazz & Soul Band is delighted to be playing in Gretton. We work hard through the Winter so that when Spring arrives we can get out there and share the music we love. And it's not just about our enjoyment of playing for others. **USJB** is a community band operating with the goal of bringing affordable performances to local venues.

Tonight, our tunes will include hits by **Amy Winehouse, Wilson Pickett, James Taylor, The Dixie Chicks, Mel Torme, Jazz Jamaica All Stars, Ray Charles, Miles Davis, Aretha Franklin, Stevie Wonder**, - and many others.

7-30pm Saturday 16th March

**Tickets (£12) from Andy Butterworth (01536-802381)
